Guidelines and Submission of Images

This year members are encouraged to submit 3 images from an outing. These images will be shown following the photo challenge images on the 3rd Thursday of the month after a workshop is over. Here's how it works:

- Members who attend the previous month's outing may enter up to two images each month.
- Rename your images using your first and last name with a space in between; put a number 2 after your name if entering a second image; put a number 3 after your name if entering a third image
- No need to remove metadata.
- Re-size your images to 1920 pixels wide and 1280 pixels high
- ***New email address:*** Email them to submit.outings@gmail.com on or before midnight of the 2nd Tuesday of the month with a subject line of "FWCC Outings Submission."
- The images will be displayed in no particular order and the photographer's name will be announced. The entries will not be judged or scored. Questions and positive comments are welcome as each image is shown. We want to enjoy the range of creativity of our members.
