

How to use the <https://fortworthcameraclub.org> website:

The Home page has posts about meeting presentations and any outing or scheduled activity. Click the image or text to open the page. These items cycle off the page as new ones are published.

There is no search function. Use the hamburger menu in the upper right corner and the arrow (> and <) functions at the bottom to view past posts.

The hamburger menu takes viewers to pages with useful information: Contact Us, Join Us, For Members, Competition Judges, Competition and Scores, Activities, Privacy Policy. Competition scores are on a protected website separate from fortworthcameraclub.org. The password to access this page is fwcc2018.

Please view the For Members link to find club leaders, member form, password protected (fwcc2018) member contact information, by-laws and other important information.
